

We Care, We Share, For The Future We Prepare!

**“WE TAKE
EDUCATION
TO THE NEXT LEVEL
THAT PROVIDES
FREEDOM & CREATIVITY”**

VISION

Our Vision is for each pupil to develop a curiosity of learning, discover their interests and grow in their love of learning. We also desire to have strong families through parent support / fellowship and skills training.

MISSION

P. N. Classes seeks to create a challenging learning environment that encourages high expectations for success through development and appropriate instructions that allows for individual differences and learning styles.

Our Motto is “We care, we share, For the future We Prepare”. Fusing education with our life is the finest way to learn. Education is not only about studying the syllabus. It is a mix of physical, mental as well as social development.

✓ **PERSONALIZED ATTENTION**

P. N. CLASSES have an outstanding and highly educated faculties who value Individualized attention and facilitates student comprehension. Since small class size encourages learning, we have a batch of only 20-25 students.

✓ **UNIQUE STUDY MATERIAL**

Study material for Both CBSE & GSEB boards are abridged by our head departments whereas for other courses notes are compiled by our experienced faculties. Study Material at P. N. Classes is designed carefully after analyzing all the previous year question papers. This helps the students to understand the gist of the chapter better.

✓ **REGULAR TEST**

Conducting a test is an important parameter to determine how well the student has understood a concept. All the papers are assessed by our experienced faculties itself. All the tests so conducted are based on the current exam pattern.

✓ **STRICT ATTENDANCE RULE**

We at P. N. Classes believe that it is important for a student to attend every lectures so as to get a smooth experience in the journey of learning and hence we have installed Bio-metric security machines which will keep track of the student's attendance. Compulsory attendance for all lectures and tests are undertaken and parents are regularly informed about the same.

✓ **INTERACTIVE LEARNING ENVIRONMENT**

We at P. N. Classes make it a point to organize student-teacher interaction so as to make the learning process more engaging and fun. We also conduct paper discussion to make every student aware about their mistakes and provide them with the necessary solutions to avoid the same.

OLYMPIADS

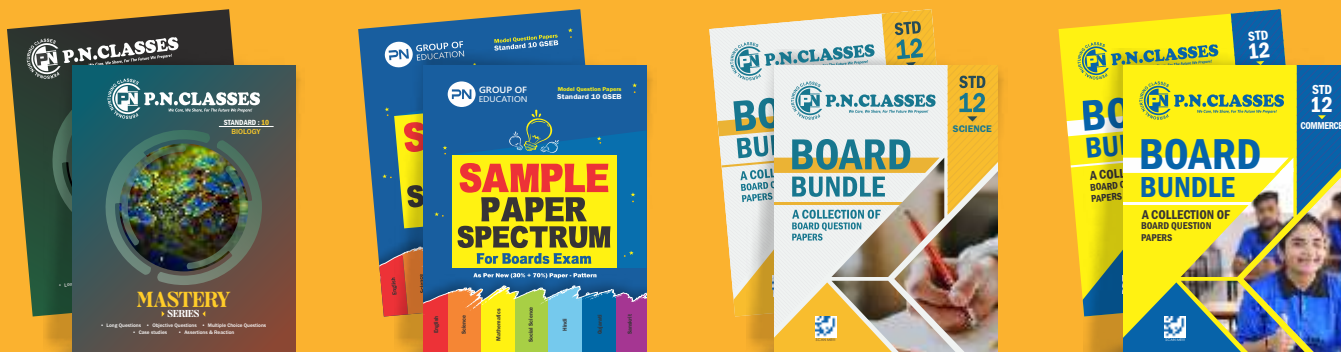

Olympiads provide a unique competitive platform to young intellectuals. They help students analyze their weak and strong attributes and bring out the best in them. Olympiads are highly challenging in nature which improves student's aptitude and builds their confidence. In addition, they cultivate analytical thinking, improve conceptual understanding and enhance problem solving skills.

Each Olympiad is a separate exam with its own organizing body and a common set of rules and regulations. Olympiad exams thus serve as a platform to challenge the intellectual minds in mathematics and science across the world.

STUDY ESSENTIALS

CHECK OUT WHAT OUR STUDENTS SAY

“

VIVEK PATEL

Been with them from more than 5 years and have experienced their dedication for the teaching. Math was my strong hold during my JEE exams because of P. N. Classes excellent teaching skills and command over the subject.

“

AMIT DAVE

I have studied at P. N. Classes since I was in 6th standard and I feel blessed for spending prime years of my learning there. It changed my whole perspective about studies. I scored 94.83% in my 12th board exams and also secured good rank in my JEE exam, without the support of P. N. Classes it wouldn't have been possible. I highly recommend P. N. Classes for students who seek best education.

“

ZAID VOHRA

P. N. is best. Excellent conceptual clarity packed with real life examples is their way of teaching. The environment is quite jovial to learn and grow. The weekly tests conducted helped me to face the NEET exams confidently. Too many practice sessions and doubt sessions helped me to solve the difficult problems and to excel in them.

“

AMRIT MISTRY

P. N. Classes is best for science coaching. It has great infrastructure, well qualified faculties who excel in their fields. Personal attention is given to all students. All subjects are taught conceptually and enough time is given for practice. Proper study material is given to ensure progress and development of students. P. N. is best for 11th and 12th science and JEE and NEET.

“

MAANVI SOLANKI

P. N. Classes is Best Class for JEE. I am very grateful to them. Whatever I have done is just because of P. N. Classes. I get a chance to learn thoroughly each and every subjects in P. N. Classes. It adds lots of value in my life. I am thankful to my teachers and P. N. Classes.

“

JUHI JOSHI

My favorite subjects are Biology and Physics. I like P. N. Classes because the teachers are very positive. All faculties at PN are great and the atmosphere is very pleasant. Enrolling in P. N. Classes could be anyone's first step towards success. Especially when it comes to NEET.
